

LEEMI Board Meeting

July 10, 2013

*Lafayette Convention Center
Lafayette, Louisiana*

MINUTES

Meeting called to order by Gary Presswood.

Present: Gary Presswood, Mac Dickinson, Boyd Adams, and Joey Watson.

Motion made by Joey Watson to accept the minutes from last meeting. Motion seconded by Boyd Adams. Motion Passed.

Old Business:

Finalizing time frame for training. System for tracking certification by POST. Records are being kept properly. The problem is the wording of the statute and that needs to be addressed. The topic of presenting a revision of the statute in the 2014 legislation was discussed. Decision to have the statute reworded 12 hours in a calendar year was decided. Fabian recommends that the chiefs start thinking of the change already in place. The new POST requirements will not count towards CEUs. Start tracking the hours the first full year after the chief takes office.

New Business:

Will work on getting the statute changed in legislation. Fabian Blache and Joey Watson will look into getting a sponsor.

Motion by Joey Watson to adjourn and seconded by Gary Presswood. Motion passed.
